October 20 & 21, 2021

Colleagues,

We are very excited to welcome you to the first ever DRPA/PATCO virtual health fair!

We encourage all employees to register for and attend the interesting and engaging live events that are scheduled to take place on October 20 and 21. For your convenience, you can participate in the virtual health fair from your facility workspace, from your home, or other remote location.

Be sure to visit the virtual vendor exhibit booths for informative links and resources. If you want to meet with a vendor representative, you will have the opportunity to schedule a 10-minute 1:1 appointment.

During the virtual health fair, you will have the opportunity to attend nine (9) live and engaging presentations. When you 'arrive' to the live presentations in the Zoom platform, you will be able to see many of your colleagues and have the opportunity to be randomly selected for a wellness-related participation item. This year, for the first time, spouses and dependents may participate, as well.

Thank you for joining us on this virtual wellness journey.

Sincerely,

John T. Hanson
DRPA Chief Executive Officer
& President of PATCO
